Application and Activity Fee

The application fee for new students is \$75 and must accompany the application form. Once the student is accepted, an activity fee (see chart above) is to be paid. This fee covers the expense of registration, yearbook (one per family), field trip transportation, library books, technology costs, student insurance, etc. *All fees are non-refundable.*

Payment Plans

Parents may choose from the following options:

- 1) Full payment of tuition by August 1st.
- 2) Monthly (11 payments, July – May or 10 payments, August-May), quarterly or semi-annual option through FACTS tuition payment plan. FACTS is an automatic cash transfer plan from checking or savings. There is a \$41 fee charged per FACTS contract.

Financial Assistance

Financial Aid may be available for children in Kindergarten through 6th grade based on need. To ensure assistance is fairly and equally based on need, we use FACTS Grant and Aid Management for an objective evaluation. There is a \$20 fee required for this option.
